EXPERIENCE

General Assembly November 2015 - March 2016

Web Development Immersive, New York, NY

- Front end memory game project built using JavaScript and JQuery to manipulate HTML and CSS
 - JavaScript implemented for game logic, tracking card actions, triggering for matches and score
 - JQuery utilized for animations, cards return to original state if no match found and disappear when matched
- Database driven message board CRUD web app built on Sinatra using Ruby and SQL
 - Deployed Rack based app to Heroku cloud application hosting platform
 - Created secure sign up, login and password functionality with the database by utilizing BCrypt
 - Utilized Redcarpet library for Markdown text formatting and Skeleton boilerplate for CSS
- Single page baseball statistics comparison app built using Ruby on Rails framework
 - Incorporated AJAX calls to PostgreSQL database to dynamically update page content
 - Employed Chart.js, a JavaScript library, for advanced data visualization with dynamic response

Temporary Property Assistant May 2014 - February 2015

Milford Management & Equity Office Properties, (via The Execu/Search Group) New York, NY

- Generated paperwork for incoming and vacating tenants, requesting security refunds
- Collected and processed over one million dollars in monthly rent checks for multiple residential buildings

Temporary Property and Leasing Assistant February 2012 - June 2013

The Habitat Company, (via Chicago Hire Company) Chicago, IL

- Provided rental information and building tours to prospective tenants in high rise apartment buildings
- Maintained leasing appointment calendar and applicant tracking database
- Submitted background checks through LexisNexis; prepared move in packets for accepted tenants

Bartender April 2009 - November 2011 & September 2014 - October 2015

Bar Great Harry & Mission Dolores, Brooklyn, NY

Human Resources Assistant June 2006 - October 2008

Scripps Networks Interactive, New York, NY

- Supported three HR managers by booking travel arrangements, completion of monthly expense reports, processing invoices, and ordering recruiting materials
- Assisted over 500 employees, answering general inquiries regarding benefit changes, recruitment, payroll issues, employee programs, and company policies

EDUCATION

Roger Williams University Bristol, RI

Bachelor of Arts in Communications 2006
